HAIR AFFAIR

Celebs swear by products from NYC's Cutler Salon (faves include the Cutler Specialist Protectant Spray and Cutler Volumizing Spray, right). The lightweight formulas protect against styling and sun damage and leave hair looking shiny, healthy and gorgeous. (\$24 each, cutlershop.com)

WORKOUT WONDER

Looking to change up your workout? The app Zeamo helps you find the best gyms in your city. It also allows you to buy a day pass – perfect for travel or sampling a gym before committing. (free to download, zeamo.com)

PRETTY IN PINK

Gin Lane 1751's Victoria Pink Gin is a full-bodied, rose-colored liquor infused with botanicals and spiced bitters for a mildly sweet taste. (\$30, ginlane1751.com)

MOMMY-APPROVED

Moms love the Snap Onesie by Maison de Mini because it's not only adorable, it's made of organic cotton and hemp, which is perfect for kids with sensitive skin. (\$70, maisondemini.com)
